Quick Quotes

THE MODERATOR: Here with Andrea Lee. Solid week here in Korea where you have a lot of ties. Just evaluate your week.

ANDREA LEE: Super happy with the way I played throughout the entire week. Today wasn't my day, but another bogey-free round and had three birdies. So just really pleased with the way I've been playing lately.

Obviously, huge congrats to Lydia. She's such a legend, and we all look up to her, and she's such a great human, great golfer. Just a huge congratulations to her.

THE MODERATOR: What does it mean to be able to put this kind of performance together in front of family? I keep bringing up your grandpa because I think that's so cute. Your grandfather, your parents are here. What does that mean?

ANDREA LEE: It's been such a special week, honestly. To be back in Korea after three, four years and to be able to actually play golf here and compete in front of them, it's just been really fun and extremely special. I'm just really glad that I was able to cap off a good week.

THE MODERATOR: What are some of your goals and what's your mindset? We have three events left on the calendar. You're in a really good spot.

ANDREA LEE: I would love to maybe win one more to close out the year. That was the goal today, but, you know, it wasn't meant to be.

I'm just going to keep doing what I've been doing and try to just play solid golf, put good rounds together and just try to finish this season out strong.
