BMW Ladies Championship

Q. What a way to finish the final day last year in Korea. How are you feeling here of the four days at the BMW Ladies Championship?

JEONGEUN LEE6: So this is my first top 10 this year so I am extremely satisfied with the way I played in the first two and the final round. I am happy that I shot in the 60s. It's a little bit unfortunate that I shot one over yesterday on my third round but this is the best performance for me this year, so I'm happy.

Q. What does it mean to you to see your game clicking this way?

JEONGEUN LEE6: I think my swing is becoming really stable, and I am hitting well, and so I think I've gained a lot of confidence about that in particular after this championship.

Q. What are you hoping to take away from this week and being a sponsor invite in your home?

JEONGEUN LEE6: So I've been shooting well and I'm really satisfied with my short game, and so I think in the remaining events, I'm going to try to hone in on and sort of refine my backswing and downswing. I think as you mentioned, I was a sponsor invite and I got to play in this event which I would otherwise not have been able to. So I'm really grateful for the opportunity and I'm extremely happy that I got in the top 10.

Q. What's the difference in playing overseas and playing here in Korea?

JEONGEUN LEE6: It's super fun to be able to play in front of the fans, and it's just different when you birdie a hole without any cheering. If you birdie a hole with lots of people cheering you on, that gives you a lot of strength. It was really fun, and my fan club, Lucky 6, came out and cheered me on, so it was a lot of fun.
