Quick Quotes

ALISON LEE: To put myself in this position is a great accomplishment. I lost in a playoff in Korea in 2017, and playing here, it's a different golf course. It just brought memories back. Obviously really disappointed but really happy that I was able to put myself in that position and hopefully more to come.

Q. What do you take away about your game going into Saudi?

ALISON LEE: We're nearing towards the end of the season. I feel really good about my game. I feel like I'm hitting it so well and I had so many putts this week lip out, and I can't stop thinking about all those small mistakes that I potentially made.

Yeah, really happy for Minjee. She obviously played really well. It's disappointing that I couldn't make my birdie putt and give it another shot playing 18 another time, but it is what it is.
