Quick Quotes

Q. Out here with Hannah Green, leader after Round 2 here at the BMW Ladies Championship. Obviously, a little bit of a sticky situation, only playing front nine, back nine today. Just kind of what was the mentality heading into today, knowing you had such a long break?

HANNAH GREEN: Yeah, I wanted to make sure I was well rested yesterday, and I managed to get in a gym session, and, you know, quite an early night. Obviously an alarm in the fours is never ideal, but I guess with the weather that we've experienced this morning, obviously it paid off, the decisions that the rules officials made.

But, yeah, it was just kind of, you know, conserve your energy, I guess. But all of us played really well, and we putted really solid. So it was kind of feeding off each other.

And, yeah, obviously again, this afternoon with them. So I'm looking forward to it.

Q. Two bogey-free rounds. Just what are you seeing out of the course, or what are you doing to put yourself in situations to not get those bogeys?

HANNAH GREEN: Yeah, I feel like I've hit driver pretty well. So that always helps when you're obviously hitting fairway, you have preferred lies. So that's nice that I can give myself a better lie.

But, yeah, just hitting in the right sections in the greens, and feel a lot more confident in my ball striking this week compared to last week. But there's lots of birdies to be made. So just obviously not getting too ahead of myself.

And, you know, Ash and Jenny are both really good putters, so I just feel like sometimes I'm anticipating the ball to go in even more so. So just getting -- not getting too ahead of myself and just playing my own game.

Q. And then another 18 to play. What will you do within this next hour to make get yourself re-ready and refocus for another 18?

BMW Ladies Championship

HANNAH GREEN: Just going to get some food. Obviously, it will be a late finish today. So won't really have a proper lunch, I guess, at a normal time. So, yeah, go get some food.

I probably won't hit any balls. I'll just probably hit some putts and then go out, maybe do a few more stretches before I get out there.
