# BMW Ladies Championship

**Q. Here with Hannah Green after her third round here at the BMW Ladies Championship. Obviously not the start you wanted, but a lot better finish. What went into the round? How were you able to make the turn and finish the way you did?**

HANNAH GREEN: Yeah, I felt like I didn't actually hit that many bad shots on the front nine, I just couldn't really get anything going. I guess the momentum from shooting 16-under in two rounds kind of fell off, and I was getting angry at things that I probably shouldn't have.

But, yeah, it was really nice to see a putt go in on 11, obviously make a birdie on the par-5. And then hit a really nice tee shot on 14, the par-3.

And then, yeah, holed a monster putt on 15. So that really changed the momentum and I guess the taste in my mouth for tomorrow.

It definitely could have been worse, but I'm really proud that I was able to shoot under par.

**Q. Very tight up at the leaderboard. What it's going to take for you to maintain your lead and hold steady here?**

HANNAH GREEN: Yeah, I'm not aware of the person that's in second place. But she obviously had a really great round today. So I think playing with her tomorrow, I don't want to get too caught up in what she's doing.

I do watch the leaderboard, but I still want to make sure that I'm looking after what I need to do because, yeah, someone can come from out of nowhere and shoot a low one like she has today.

So, yeah, just get some good rest, hopefully, and have a good one tomorrow.
