## BMW Ladies Championship

**Q. Here after your final round at the BMW Ladies Championship. Phenomenal bogey-free round today. What went into today, especially on the back nine?**

CELINE BOUTIER: I was just able to hit it really close. I feel like I played kind of the same game all day. I had a lot of opportunities on the front but I just weren't able to convert. And on the back, I was able to hit a few really close and that gave me kind of confidence. And yeah, I was able to get a lot more birdies on the back.

**Q. You're having such a great couple weeks here in Asia, what's driving this confidence, and what's working so well in your game right now?**

CELINE BOUTIER: I think my long game has been really solid for a while now. I just haven't been able to score very much, and then the last two weeks, I was able to hit a few rounds really low. So I think that's helped me a lot.

**Q. And what will you take away from this week heading into the rest of the season?**

CELINE BOUTIER: Hopefully a little bit of momentum and confidence going into the last few events, and hopefully finish strong.
