Quick Quotes

Q. I know not the way you wanted it to end, but still had to be some positives out there for you today.

EMILY KRISTINE PEDERSEN: Yeah, good golf. Obviously poor golf on the last three today, but still a lot of good to carry on from.

Q. How do you shift your mindset away from today heading into the rest of the week?

EMILY KRISTINE PEDERSEN: Just deal with it. Just I'll be good. Practice a little bit and then tomorrow is a new day.

Q. And last question. You're near the top of the leaderboard still. How good does it feel to give yourself that cushion this early in these eight rounds?

EMILY KRISTINE PEDERSEN: I mean, good. There is still six rounds to go and I still need to play good, but it's always good to play well.
