Quick Quotes

Q. Another good round today. Take us through the eagle on 6.

PEIYUN CHIEN: I got only one putt. It's like nine feet. I make it, yeah.

Q. What club did you have into the green?

PEIYUN CHIEN: 3-wood.

Q. So you hit to nine feet with a 3-wood?

PEIYUN CHIEN: Yes.

Q. Is that a thing that you do a lot?

PEIYUN CHIEN: Not all the time, but I have a lot of chance to this course, yep.

Q. I mean, how would you assess your week? Solid finish. Posted at 12-under. What a week for you.

PEIYUN CHIEN: It's pretty important to me, you know, keep changing swing in America and keep doing, it's pretty hard to me. The most important is I do believe every shot I hit, and commit every shot.

Yeah, that's the most important I did.

Q. So that was what really helped you this week was committing to every single shot?

PEIYUN CHIEN: Yeah, especially work with my caddie I feel very confident.

Q. So what are your plans? Couple days or a day off before Dothan. Do you head down tonight? What's the plan?

PEIYUN CHIEN: We are driving to next week, and definitely rest tomorrow. But I will do some chip and putt and a lot of, you know, short game, like 70 yard to 110.

So I think this week is easier to read the green for sure.

Q. Besides your mental game, what part of your game were you happiest with after this week?

PEIYUN CHIEN: That's so hard. You know, I always think a lot. I always have a lot of shot in my mind, and I think when I miss because I didn't, you know, make the decision, and when I hit it I still thinking.

So I do -- I did very well, it's commit every shot what I want so, you know, I can...

Q. Keep going?

PEIYUN CHIEN: Keep going.

Q. Okay. What did you learn from this week on bermuda that you're going to take into next week?

PEIYUN CHIEN: It's so hard, even I putt so well but the ball just cannot go in.

Like we say we make a lot of notes, and that's why we know how the green go, which way. And, yeah, I think my caddie help me a lot for sure.

Q. So you're planning on moving to Southern Alabama because you've been here so long?

PEIYUN CHIEN: My God, yes. Next week is one month to me. So I already here like one month. I really need some good food.

Q. I'm sure you're happy with the decision to come down and spend a month down here getting ready.

PEIYUN CHIEN: Yes.
