Quick Quotes

Q: How do you feel you played this week?

HYE JIN CHOI: I generally liked my overall play this week. There were some mistakes, but it was good overall.

Q: Tell us about your eagle?

HYE JIN CHOI: It was a par-5 hole and there was some tailwind at the tee shot so the distance didn't seem too long. I hit a wood but got lucky for the eagle when the long putt dropped.

Q: How does this course differ from next week's course?

HYE JIN CHOI: In this course, the green receives the shot well so there's a lot of chances when you attack the pin. In the other course, the green is clearly divided so you'll get into difficult situations if you're far off from there. Hitting accurately to the green will give you lot of chances for birdies, so I'll have to be more focused with my shots and my putts as well
