Quick Quotes

Q: Finished total at 6-under, pretty solid today too.

HINAKO SHIBUNO: I did miss-management on the sixth hole and ended up double-bogey, that made me really mad, however, I was able to change my way of thinking and finishing for 2-under, which really good number for today.

Q: How do you feel overall for four days this week?

HINAKO SHIBUNO: I had really a bad first round and pretty shocked with finishing at 81st place. And again, I made big mess at last three holes for third round. Therefore I had to play under huge pressures since then. I thought having eight days of tournament, we can have one bad day, but that wasn't true.

Q: Heading into to next week.

HINAKO SHIBUNO: You can't waste any day now. One mistake makes big difference now. 45th getting tour card but you really need to be inside 20th. I am not going to into the green in two for par-5 now (laugh). It's difficult course next week too.
