Press Conference

**Q. 5-under day today for you. How solid are you feeling in your game?**

RUONING YIN: Today it's pretty good. I mean, everything is pretty good. Driver is getting better every day. I made a lot of 30 foot putts, which is very good. Also up-and-downs I think four out of five I made.

**Q. Is this some of the best golf you feel like you've been playing over these past two weeks?**

RUONING YIN: Oh, yeah, but the first week, I mean I think I just kind of lost confidence on my driver and also my arm's getting hurt a little bit. But this week I just tell myself it's a 72-hole competition and just be patient and have fun.

**Q. Is the arm just, is it just getting tired from the golf do you think?**

RUONING YIN: I think I'm always in kind of a little pain, I think it's just a little bit injured.

**Q. How important is rest then going into this final day tomorrow?**

RUONING YIN: We have had 144 holes and right now only 18 left and it's so exciting, but, yeah, just also try to play solid tomorrow.

**Q. I know it's important to take one shot at a time, you and a lot of people have said that, but is it like you said exciting to be very close to the LPGA Tour and how excited are you to just close out this experience?**

RUONING YIN: To play on the LPGA Tour is always my goal since when I was young and right now it's just pretty close, only 18 holes left and then I can achieve the goal. So, yeah, it feels great.
