Quick Quotes

Q. So how does it feel to be in Venice this week competing at Stage II?

BREANNE JONES: Good. I guess. I don't know. I mean, I played here two or three times before, so it kind of feels like just another week.

But, yeah, I'm looking forward to it. I kind of just want to get going already. You get that like pre-tournament anxiousness, so...

Yeah, I feel good.

Q. Having played here before, do you think that gives you a little bit of an advantage, or does it help you calm down during practice a little bit knowing that you know the course and you've played it?

BREANNE JONES: Yeah, I think it's good to have like the previous experience because at least then you know like, okay, I hit this shot before. Like I'm pretty familiar with these tee shots and whatever.

I think that's like the main thing, is just having a lot of experience on the course. I think that definitely helps.

Q. What are your goals for this week?

BREANNE JONES: I have the same goal that I had at Stage I, and that's just have fun. I don't really have any score goals in mind. Just want to have a good time.
