Q. And then how do you take that positive mindset and momentum into the next three rounds?

NATTHAKRITTA VONGTAVEELAP: Just do the same thing as first day. Yeah, just practice putting, chipping, and driving.

Q. And then --

NATTHAKRITTA VONGTAVEELAP: And also stay warm.

Q. Yes, staying warm.

NATTHAKRITTA VONGTAVEELAP: Yeah.

Q. With the wind and the cold, especially in the morning, how do you keep positive out on the course and kind of stay in your own game and make sure that you're doing you and playing the best you can considering the circumstances of the weather?

Yeah, just do something to make me warm.
