Quick Quotes

Q. 5-under today; 4-under total. How does it feel to come out firing second round?

SELENA COSTABILE: It feels good. I kind of had a shaky short honestly. Wasn't really feeling as confident out there.

But just tried to simplify it, and ended up being good coming down the last nine holes, so that was good.

Q. And then bogey-free. How did that feel walking off that last green and being done with it?

SELENA COSTABILE: It was good. It was pretty tiring. I actually made a lot of par saves felt like today, so it was kind of a little bit of a grind.

But, yeah, bogey-free is always great.

Q. And then how do you keep positive? With the weather obviously a little bit windy, cold for Florida this time of year, how do you keep positive with that and the conditions and just keep in your own game?

SELENA COSTABILE: For sure. Well, growing up in Canada it's always some kind of crazy condition being thrown at you, so I tried to just battle the elements and focus on my game and not really think about much else.

Q. And then going into tomorrow, obviously two days of golf left; how do you take a solid round today and kind of keep the momentum and the positivity into the next two days?

SELENA COSTABILE: I think just remembering what I did good today and just trying to keep doing that for the next few days.

Again, being kind of simple. Q-School is obviously a lot of stress. The more simple you can make your game the better. That's what my goals are.
