Quick Quotes

Q. So a solid round. How does it feel walking off that last green?

ALINE KRAUTER: I mean, it was great. Obviously tough to finish with a bogey, but, I mean, super solid round today. Definitely left some out there, but I feel really good for the next couple days.

Q. 17 bogey-free holes leading up to that. How did it feel approaching that last green and just having a really good round and heading into tomorrow?

ALINE KRAUTER: Yeah, I mean, I was super confident this entire day, so I wasn't too worried. Then I had it? Super short on 18 and it was sort of tough to get up and down from there.

Other than that, yeah, I'm super confident heading into the next couple days, so, yeah.

Q. Obviously the wind and it's a little bit chillier than people expect it to be right now. How do you keep positive with that and the conditions that are thrown at you guys?

ALINE KRAUTER: Yeah, I feel like I can't really do anything about it, so I try to control the controllable, and weather is not one of those controllables.

Yeah, take whatever we can get. I'm glad we're actually playing here, so...

Q. And then how do you take the solid round from today and kind of keep that momentum up and that positivity up for the next two days of golf?

ALINE KRAUTER: I think just thinking positively. I know what I can do out here now. I've sort of seen a couple shots that I've hit and couple shots that other people have hit, so I think just getting to loop around this course one more time on both courses will definitely help.

Q. And then I notice that you played Panther both

days. Do you think that is something that was an advantage to you, or how do you feel about playing the same course?

ALINE KRAUTER: I played Bobcat yesterday.

Q. Oh, okay. It says on your scorecard Panther.

ALINE KRAUTER: Really?

Q. Weird.

ALINE KRAUTER: I played Panther today and Bobcat yesterday. Still, I mean, I think it was great, yeah.
