Quick Quotes

Q. So a 4-under round today. How did it feel walking off that last green?

DORSEY ADDICKS: Yeah, to be honest, it was an easy 4-under, and you don't get to say that very often, especially in the conditions and on these golf courses.

So I'm stoked about my round today. I think at Q-School, if you can just hang around even or under par every round, you're going to be good at the end of the day, so...

Q. I know we talked about last week, a couple weeks ago, that it is a stressful week. Just keeping positive throughout the whole week. How do you do that, especially balancing the solid rounds and trying to keep that momentum up?

DORSEY ADDICKS: Yeah, it's tough. You can easily get ahead of yourself, but I think this year more than any years I have a calm presence. Just I'm okay with whatever happens. I have solid Epson status for next year, so hopefully I don't play bad, but it eases up the pressure for me and just can go play golf.

Q. And then with the conditions, obviously a little chilly for Florida now, and the wind is kind of kicking up each day. How do you maintain a positive attitude and deal with those conditions and stay in your own game?

DORSEY ADDICKS: Yeah, it's tough. It was cold this morning. I think tomorrow is going to be a little warmer, but then Sunday looks wet and windy. Not ideal conditions for Florida, but, you know, I think you just got to roll with the punches and just swing within yourself and don't try and do too much when it's cold like that.

I think I did a good job of that today, so...

Q. And then we talked about your goal for the week was to advance to Q-Series.

DORSEY ADDICKS: Uh-huh.

Q. Two rounds under your belt; two more to go. How are you feeling about your goals and have you adjusted at all?

DORSEY ADDICKS: You know, I'm not really focused on that, but I'm obviously moving in the right direction, so couple more solid days. Like I said, if you can just shoot around even par, at least have a chance going into the last day, that's all you can ask.

So I'm ahead of my plan, so we're doing good.
