Quick Quotes

Q. Yue, you are tied first. Didn't know that when I came over here. You're tied first.

YUE REN: Uh-huh. I don't know the score.

Q. You don't know the score?

YUE REN: Yeah.

Q. So currently you're 5-under total; tied for first.

YUE REN: Uh-huh, yes.

Q. 2-under today. Started birdie, birdie, and 16 straight pars.

YUE REN: Yes.

Q. How are you feeling about today?

YUE REN: Still good, but today I think it's a little colder than yesterday. Yeah, and the wind is still strong, strong wind.

And the first two holes I played really good. I have one yards birdie putt, and then the second one is two and a half yards I think. Yeah, and birdie putt.

And 16 pars. I would say, yeah, I just -- I think I'm 16 on the -- so 16 on the green I think, so I just chip two times and I have lots of birdie putt in these 16 pars.

But I miss some four yards, I miss some four yards birdie putt, but, you know, the green is like -- I'm just a little bit, a little bit miss, but I still putting good; just the line just a little bit. But I trust my putter, so I putting good today.

So these two days the green speed is much faster than practice round. Yeah, and the green is so fast. So some long putts, it's really fast, so I think speed is most important. Yeah.

Q. I see.

YUE REN: Yeah.

Q. And so you said you hit 16 greens in regulation.

YUE REN: Yeah, I think so.

Q. I saw a really great par save on the last hole.

YUE REN: Yes.

Q. And you had, your caddie said, a good par save on the 17.

YUE REN: No, 17 is like -- it's not save par. 17 is the first shot I hit to the bunker, but the ball position is really bad, so the ball is like here and I swing like this...

Q. Like a baseball swing.

YUE REN: Yeah, so it's really hard to swing that in the bunker, but I hit it really good on the green.

Q. Nice.

YUE REN: It's a good save. Yeah, yeah, yeah. So I two putt that. Just a little bit miss for the birdie putt. Yeah, yeah.

Q. Yesterday you rated your driver game 99 out of 100.

YUE REN: Not driver, total game.

Q. Total game 99 out of 100. How about today?

YUE REN: 98. Yeah, because today I think it's because we play really long time, like six hour, so I think the last some holes the muscle little cold, like getting cold. I think so.

Some shots it's not really control, but I think I did it good. So, yeah, 98.

Q. Still feel very good.

YUE REN: Yeah, because today putting a little bit unlucky because some birdie putts is just miss a little, so I give me 98.

Q. Okay. That sounds very good. Two more days. What's the plan heading into the weekend?

YUE REN: To just play. Yeah, because just no pressure. Just have fun I think.

Q. Have fun?

YUE REN: Yes.

Q. And keep playing 99, 98. That's some good golf.

YUE REN: Yes, keep playing.
