Q. Perfect. So a 2-under round today.

LAKAREBER ABE: Yes.

Q. And then finishing with a birdie, how did it feel walking off that last green?

LAKAREBER ABE: It was nice. I mean, today was kind of an up and down day. I just told myself like just stay in it, stay in it, just try, just try and hit good shots. Got; lucky, rolled in a few long ones in, and, yeah, it's nice to be done and put up a good number.

Q. Then heading into tomorrow, one more day of golf, and looking pretty good inside that cut line to go to Q-Series. How does it feel to have 18 holes left finally?

LAKAREBER ABE: I'm really trying not to think about it. I'm just like, okay, you're done today. Try to enjoy this afternoon and like come in tomorrow and just one shot at a time, one hole at a time. (Wind) ...and see what happens.

Q. And then obviously the weather has been kind of all over the place. Tomorrow is looking iffy too. How do you keep positive with the cold, staying warm, and then the wind and obviously looking like a little bit of rain with tomorrow's forecast? How do you stay positive through the long weekend?

LAKAREBER ABE: My caddie, David, has been great. We joke around on the golf course. Yesterday it was so cold, so I feel like I was just us having fun trying to like jump up and down and stay warm. So, you know, just kind of rolling with the punches. Today was nice; we'll take.

Whatever happens tomorrow, we will see. Hopefully we get lucky. If we don't it is what it is, so. Yeah.
