Q. What does it mean to you to be able to play Stage II, after everything that's happened in Florida with the storms and the course having to be recovered a little bit after Ian. What does it mean to be here and to be able to play here?

ASHLEY LAU: Yeah, honestly, when I hear Hurricane Ian was coming I was a little unsure what was going to happen with Stage II. Honestly just very lucky to be here and grateful that I passed through Stage I. Hopefully pass through Stage II.

I guess with like the experience in Michigan, like having pretty bad weather, playing in bad weather, that gave me a little experience playing today. So just really grateful, yeah.
