Q. Okay, so a 3-under round.

ANAIS MEYSSONNIER: Yeah.

Q. How does it feel being done?

ANAIS MEYSSONNIER: It's crazy, and even more under the rain and under the wind like this.

I just play, don't be scared, and if you make a bogey, it's nothing, because I was knowing it's not going to play well today.

So I just got to -- I just try to play my golf and try to hit my shot, shot by shot. I just do two chip in today so it was crazy, because my chipping is normally not the strongest part of my game.

But it was, and I'm very happy with my round.

Q. And then an eagle. How did that one feel? Did you know it was going in?

ANAIS MEYSSONNIER: Honestly, it was kind of the same chip as the 10 and I chip in on the 10. I say, maybe I can put this one into, and I see my ball and I say, she go in. So, yeah, it was very -- like I was very happy to make this chip.
