## Selena Costabile

Quick Quotes

**Q. How does it feel to be in a really good spot - one group left to finish - and looking like you're going to advance to Q-Series?**

SELENA COSTABILE: Feels good. It was a struggle today. The wind and the rain brought all the elements out today. I tried to stay in it even though my score wasn't great, but I'm coming out happy that I think I still made it.
