Quick Quotes

Q. Did you play college golf? If so, where?

KIM KAUFMAN: Yes, Texas Tech University.

Q. Perfect. What years?

KIM KAUFMAN: '09 to '13.

Q. Perfect. And then what is your career-best finish or your biggest accomplishment in the game of golf?

KIM KAUFMAN: I have three Epson wins, but I did finish second on LPGA in China, so however you weight those. (Laughter.)

I mean, both of those were obviously great.

Q. And then do you know what your career-best round is?

KIM KAUFMAN: 8-under at the Tour Championship in Naples, 2017 maybe.

Q. Why did you decide to pursue professional golf as a career, or why do you keep playing professional golf?

KIM KAUFMAN: That's what I ask myself all the time. (Laughter.)

I think because I still like to get up and go work at it. You know, like I feel like I have stuff I can still do out there. I'm not done. I want to (indiscernible) for the LPGA obviously.

So I still love to get up and go work at it. I still have that desire. I'm not dreading it, so I think I keep going as long as I have that.

Q. And then what are your hobbies outside of golf? How do you keep yourself entertained off the golf course?

KIM KAUFMAN: Yoga, reading. I'm a big reader. Just

love being home. We watch a lot of the sports, college basketball. Texas Tech has been playing good the last few years, so we watch a lot of sports. We're sports nuts.

Q. And then do you have a favorite sport other than golf?

KIM KAUFMAN: It would be college basketball, yeah.

Q. And then how about a favorite book?

KIM KAUFMAN: Oh, gosh. So many. Can I only list one?

Q. You can list however many you want.

KIM KAUFMAN: Favorite book would probably be -- can I text you that?

Q. Yes. Do you have a favorite author?

KIM KAUFMAN: I have several. I'm going to think about it and then I'm going to text you my favorite book.

Q. Yes, perfect. And then last question: If you weren't a professional golfer, what do you think you would be doing?

KIM KAUFMAN: I would've went to law school. Whether or not I liked being a lawyer I don't know, but I definitely probably would've been a lawyer.

You know, a lot of people go to law school and don't practice, but that was definitely my plan.
