### Quick Quotes

**Q. So the first question: Did you attend college? If so, what school?**

KRISTIN GILLMAN: University of Alabama.

**Q. And then what is your career-best finish, biggest accomplishment?**

KRISTIN GILLMAN: I don't know. I always say it's the time between I got sixth place at ANA my rookie year and I also got third place in the LPGA (indiscernible - wind) China, so...

**Q. And what was your career-best round/score?**

KRISTIN GILLMAN: 63.

**Q. And why did you decide to pursue professional golf as a career?**

KRISTIN GILLMAN: I just kind of grew up, just loved the game and just kind of knew that I had talent and just wanted to see how far we could go.

**Q. Awesome. What are your hobbies outside of golf?**

KRISTIN GILLMAN: I like swimming. Anything outdoors. Swimming, paddle boarding, hiking.

**Q. If you weren't a professional golfer, what would you be doing?**

KRISTIN GILLMAN: I don't know. That's a good question. Like growing up I always wanted to be a college golf coach I guess, so maybe that if I wasn't a professional golfer. I'm trying to think if there is not a golf aspect in my life.

**Q. It's okay if there is.**

KRISTIN GILLMAN: Maybe college golf coach.
