Quick Quotes

Q. Did you play college golf? And if so, where?

LAURA WEARN: I went to Furman University.

Q. What years were you there?

LAURA WEARN: I graduated in December of '13.

Q. Cool. And do you know what your career-best finish is?

LAURA WEARN: Well, I won on Epson.

Q. Okay. And then what are you most proud of so far in your career?

LAURA WEARN: I think just that I've continued to grind it out and try to follow my dreams. I've had a lot of success and a lot of failures, but stuck with it throughout everything.

Q. And do you know your career-best round?

LAURA WEARN: 63 in Rochester the Danielle Downey.

Q. Why did you decide to pursue professional golf as a career and what keeps you out here week after week?

LAURA WEARN: I don't know. I never thought I would be a golfer, but I played in college and just loved it, so I came out here and tried it and I just met so many nice people. But I love to compete. I know I can improve each year, so I think just seeing the improvement and getting to compete keeps me out here.

Q. And what are your hobbies outside of golf?

LAURA WEARN: I love to play tennis, pickleball, hike, go skiing. Anything outside. I'm down doing anything.

Q. If you weren't a professional golfer, what would you be doing for a job?

LAURA WEARN: Gosh, I get that question a lot and I have no idea what I would do, but hopefully golf will work out for the next a little bit and then I'll figure it out after that.
