## Valery Plata

### Quick Quotes

**Q. So four rounds down, four to go. You had three of the four bogey-free. How does that give you some momentum leading into next week?**

VALERY PLATA: You know, I'm just trying to hit the shot that's right in front of me. Not really thinking about the bogey-free or next week or anything. I'm just hitting the shot in front of me, making good swings, and good decisions.

**Q. And then walking off that last green, being halfway through, how does it feel being where you are now?**

VALERY PLATA: Yeah, it feels great. Definitely a little physical and mental tired a little bit, but we've got a couple days to recharge and get ready for next week.

**Q. Four rounds and having four left, how do you change your mindset or do you change your mindset for the final four rounds?**

VALERY PLATA: I don't think I would. I've been playing good and it's all I need, just consistent solid golf for the next four rounds, and that's all I'm going to try to do.
