Quick Quotes

Q. 3-under round. Same question as always: How did it feel walking off that last green?

POLLY MACK: Felt good, although the second nine could have been way better. It was a little unfortunate that second nine was a 1-over round; but first nine was great. Felt good about my game. Can't really complain.

Q. And then heading into the second week tied for second, obviously whether you're first or 20th you're getting full status on the LPGA, but you have good momentum heading into next week. How do you take that and kind of shift your mindset or prepare for next week?

POLLY MACK: It feels good. It kind of feels like a safety spot at the moment. Yeah, I feel good about my game. I feel like this could really be something and make my dream come true.

But I want to keep it easy as always. (Laughter.) This is only halfway, so we have, again, a lot of golf left. We'll see.
