Q. So 1-under round, final 18 holes of Q-Series. How does it feel being done with the two-week grind?

SOO BIN JOO: It was a tough week, tough two weeks, but I think I played really consistent and I think I finished well.

Q. Awesome. And then what have you learned over the past two weeks? Obviously eight rounds is a lot of golf. You have to stay patient and remind yourself there is so much left.

SOO BIN JOO: Yeah.

Q. What have you learned about yourself as a player over the last two weeks?

SOO BIN JOO: The important part that I learn is that I really have to stay calm and focus every, every shot. Yeah, it's important to focus on every shot.

Q. What is the biggest thing you think you'll take from away into next season, or is there anything you learned that you want to work on or anything that you found went really well for you?

SOO BIN JOO: I will work on with my workout stuffs, and with my driver and my putter also.

Q. And is there anything that you found went really well out here that you'll take into next season?

SOO BIN JOO: My wedge shots got better this season and I think I'll put that on (indiscernible) too.

Q. Obviously an LPGA Tour card is on the line at the end of the day.

SOO BIN JOO: Yeah.

Q. What would it mean to you to be in the top 45 and ties?

SOO BIN JOO: It's a dream come true actually. I didn't
