Quick Quotes

Q. Here with Karis Davidson who just said it, you can't believe it. Just describe the emotions you're feeling now getting back to the LPGA.

KARIS DAVIDSON: I don't even know how to feel right now. I've had a pretty like hectic year mentally, so this is quite a relief to finish on a high.

Q. You were here last year. I think the experience last year was a little bit different. Now you're firmly inside the line. Just what does it mean to you to really show up for yourself in this way and play this kind of golf?

KARIS DAVIDSON: Yeah, I'm so pleased about it, and my team this year has been amazing, the support I've had from everyone.

I mean, I wouldn't change any of it.

Q. Tell me a little bit about Holly. I know she was out here last year. I'm sure it meant a lot to you. You all seem like pretty good friends.

KARIS DAVIDSON: Yeah.

Q. How critical has she been this week?

KARIS DAVIDSON: Yeah, she's been great. She has been cooking my meals and mothering me, which you kind of want someone that's going to look after you these couple weeks, because if you did it yourself it would be really tough.

Q. You fly under the Aussie flag, a lot of Aussie success this year or tour. Some Scottish success as well. Obviously you have your ties there. Again, you were out there this year, but to be able to see those people play so well in Gemma and Minjee, how much is that motivating you to come out and add Karis Davidson to that list of names?

KARIS DAVIDSON: Yeah, when Gemma won I was so happy, and also because she won in Japan and I used to

play there and I was really chuffed she beat them.

Q. Again, finally, if you could put it in any sort of words now that it's sunk in for the last, what, 30 seconds?

KARIS DAVIDSON: Just really pleased. Quite relieved, yeah.
