Quick Quotes

Q. So Q-Series is officially done. How did it feel walking off that last green?

LINNEA JOHANSSON: It's just a great feeling. It's such a marathon to play 144 holes, and when you're done, you're done and there is nothing more you can do. It's such a relief.

Q. You said it's a lot of golf and it's a long stretch of two weeks. What did you learn about yourself as a player this week or in past two weeks that you'll be able to take into next season?

LINNEA JOHANSSON: You have to stay patient on weeks like this, and even out there in a regular tournament. It's golf. Good shots is going to happen and bad shots are going to happen, and you just have to play with that and stay patient and do your best and stay focused every single shot.

I think a week like this really brings that out and emphasized that.

Q. What does it mean to you to be able to say you're a 2023 LPGA Tour player?

LINNEA JOHANSSON: Yeah, it feels great. Obviously it's good to have earned my card back after three years out there, and hopefully we can make next year awesome.
