## Savannah Grewal

### Quick Quotes

**Q. All right, Savannah, 4-under round to start off your Stage II. Just talk about your round today. How was this different than Stage I for you where you played so well at?**

SAVANNAH GREWAL: I think it was pretty similar, honestly. Just kind of going with the same mindset to stay patient, take it one shot at a time and just see -- live with the result and see how it goes.

It was very steady golf. Nothing too flashy or too exciting. Made birdies when I hit it close and just never really got myself trouble.

I think that helped a lot.

**Q. Is there a different mindset when you go into a qualifying compared to a normal tournament week, or do you try to keep the same game plan?**

SAVANNAH GREWAL: I would say I played a lot of tournaments this summer where it was similar where I was qualifying for match play, so kind of tried to have that similar mindset of if I do get myself in trouble, just get out.

At the end of the day it doesn't matter if I finished first or 40th, I'm still moving on to the next round. Just try it make sure I get myself in the top 40.

**Q. What's the best part of your game as you head into the next three days of play?**

SAVANNAH GREWAL: I would say my irons have been really solid, my distance control has been really good, and that's helped a lot for sure, just get it closer to the pin.
