Q. Okay, can you just talk to me about your round today? Obviously the scorecard looks good. What went well for you out there?

PINYADA KUVANUN: So I feel like today I can make a lot of like more putts today, which even more than yesterday obviously. I tried to hit on the green. I didn't miss the green like much, just a few holes.

So, yeah, just what I've done today.

Q. And birdie on 9?

PINYADA KUVANUN: Yeah. Just a birdie on 9 and the rest are good I think.

Q. But bogey-free on the front nine. What kind of momentum did that give you going into the back nine?

PINYADA KUVANUN: I just tried to play -- like stay on my game. Just hit fairway and green. Yeah, that's what I'm trying to do today.

Q. Just coming off the Epson Tour Championship and the Epson Tour season, what kind of momentum did that give and you how did that prepare you to come out here and play so well through the first two days?

PINYADA KUVANUN: I think on the Epson Tour, so every player on the field, they're all like very good, so that's kind of like help me prepare a little bit, I mean, for the whole year this past year, and it help me to build more confidence. And then just trying to play my best golf out here.

Q. And then right now it's looking like you are one shot ahead going into the second two days. How does that feel and what momentum does that give you?

PINYADA KUVANUN: Oh, I haven't looked leaderboard yet but since you told me that, so I'm just going to try to stay on my game, the same plan: Fairway and green and try to make the putt. That's it.
