Quick Quotes

Q. So just talk about your experience so far at Stage II.

SAKI BABA: To be able to come here, to be able to qualify was interesting, a little scary, and fun.

Q. How has your amateur career kind of helped you out coming into this week?

SAKI BABA: Being able to play in the majors and also playing in the LPGA tournaments in Japan has given me the experience, so I think that's kind of given me a strength to come over here.
