Quick Quotes

Q. Can you talk about ending the day on four birdies?

YIYI LIU: Yeah. I hit really good on last four holes, so it makes a lot chance for me. I play really well and the weather is so good. Cloudy, no wind, and everyone plays so good here.

And then because I play Epson four year it makes me get stronger and stronger. I know how to hit the ball.

Q. And then fourth on the leaderboard right now. What's the momentum going into tomorrow?

YIYI LIU: Really? I didn't know it.

Q. Yeah.

YIYI LIU: Enjoy the final group and final round and then see what's (indiscernible) and then feels everything, dry weather, and then make the cut.
