Quick Quotes

Q. All right, Pinyada, so 3-under round today. Talk about your round today. One of the last groups of the day. Is there a little bit less pressure when you're in the last groups kind of in qualifying school instead of around that cut line number?

PINYADA KUVANUN: Yeah, it's a little -- obviously yesterday I was in the last group. It was a little pressure because there was some people that come out and watch us, was like supporting.

And, yeah, that's a little bit pressure yesterday. I feel better, more relaxed today. Like we play in the third last group today and then I'm just trying to play my game like every day.

Yeah, I feel much more fun today. Yeah.

Q. And then kind of talk about your experience on the Epson Tour this year. How did that help you coming into this week?

PINYADA KUVANUN: Yeah, it's help me a lot for sure because we been like playing with another -- like a lot of great player in the field, so it's help me to have better like managing thinking more, like just stay on my game.

Like I'm not -- I'm trying not to look at the scoreboard. I'm just going to try to shoot the best I can out there.

Q. What's one part of your game that helped you this week?

PINYADA KUVANUN: I think I've been hitting like fairway a lot, so from the stat that I saw, I've been like hitting 80% off the fairway throughout the year, so I think that's giving me more opportunity to play to the green.

But I need to like improving with my putting more, so I can shoot lower score, yeah.

Q. And is this your first time going to Q-Series?

PINYADA KUVANUN: This is my second time.

Q. Second time.

PINYADA KUVANUN: Uh-huh.

Q. What's the goal at Q-Series? Just to go out, play where you own game?

PINYADA KUVANUN: Yeah.

Q. Or you're gunning for one of those top spots?

PINYADA KUVANUN: I'm just going to play like -- I'm just going to think that I'm playing on Epson Tour, which is help me feeling more relax. I'm trying to not think about, oh, I have to make this, I have to like get it through like on this week.

This week I'm trying to think that I'm playing on Epson so to make me feel like enjoy more, relax more. Yeah, so that's how it's help me to play better this week, too.
