### Quick Quotes

**Q. Here with Yue Ren after her second round at Q-Series. Really solid round today. How would you describe how you played?**

YUE REN: Today I played really good, but like a little bit driver a little bit miss, but still good. Today my putting really good and chipping, yeah, chipping is awesome, yeah.

I chip a birdie on No. 17, par-3. That's a hard chip, yeah, but I chip so nice that shot, yeah.

And today my putting really good but I miss like two, three-yard putt, but I make two ten-yard putt, yeah. (Laughter.)

**Q. All about balance, right?**

YUE REN: Yeah.

**Q. Was there anything in particular you like about this course compared to the Falls Course?**

YUE REN: Compare?

**Q. Uh-huh.**

YUE REN: I think these two course is pretty close because it's pretty far for me, yeah. Yeah, because my ball is -- like I think everybody balls is not roll, like driver land there and that's it.

**Q. Yeah, because of how wet it was today.**

YUE REN: Yeah, so for me, this year I play Epson and not -- how to say that? I never played this far course this year, yeah, in Epson Tour.

**Q. And how have you adjusted to that? Did you practice some longer clubs heading into the week?**

YUE REN: Yes, sure, because I use the long iron or wood, yeah. (Laughter.)

**Q. And you won this year on the Epson Tour.**

YUE REN: Yes.

**Q. What do you think that did for your confidence this year? Did that really help you?**

YUE REN: Yes, yeah, give me confident so I feel like I can do good, yeah, so...

**Q. What do you remember most about that week about your game? Anything that you remember that was just amazing from that week?**

YUE REN: From that week?

**Q. Uh-huh.**

YUE REN: That week the last day was really good feeling, feeling good. Like I chip and I can feel the ball is like I can chip in when I putt and I feel like I can putt in.

Yeah, so feeling is really important for me, and I feel really good.

**Q. You seem very energetic. Maybe during a stressful week, how are you managing the stress of this week?**

YUE REN: The stress? What's that mean?

**Q. Like playing for your tour card, your status this week. How are you staying calm throughout the week?**

YUE REN: Oh, I'm not thinking that much, yeah. I feel like just I play my golf, like every shot I focus. Yeah, and every putt focus, and I don't think the result, like I can play good or so I don't think about that. So I just do my best, yeah.

**Q. Is there anything fun you're doing of the course maybe to manage?**

YUE REN: Off the course like rest time?

**Q. Yeah.**

YUE REN: I play phone game.

**Q. What phone game is it?**

YUE REN: I don't know how to say that in English, yeah. I like to watch TV or, yeah, and music.
