

LPGA Q-Series

Friday, December 1, 2023

Mobile, Alabama, USA

Magnolia Grove

Savannah Grewal

Quick Quotes

Q. All right, here with Savannah after her second round at Q-Series. Another solid round today. How do you feel about your game today?

SAVANNAH GREWAL: Felt like ball striking was good again. I think I hit 16 or 17 greens. Yeah, 16 greens. Chipped twice today, which felt weird to be chipping. Overall felt like ball striking is definitely really solid.

Q. How would you compare this course to the course yesterday, Crossings to Falls Course?

SAVANNAH GREWAL: I would say they're both pretty similar, both ball-strikers courses. I think you definitely have to place yourself on the greens, and I think I did a really good job of that.

Q. With the rain today and the delay, how did you adjust to some of the conditions you might have seen out there?

SAVANNAH GREWAL: I think I just tried to take it as it came. I knew going in that it was just going to be pretty wet out there, and just tried to stay patient with it. Took relief if I was in any casual water. Tried to keep a level head and just know it was going to be a little wet out there.

Q. We're nearing darkness here, but any thoughts heading into tomorrow? Anything you'll prioritize before you go play?

SAVANNAH GREWAL: Maybe chip a bit. Feel like I haven't chipped at all the past two days, so definitely get some chipping in.

Otherwise I would say same game plan. Stay patient and stay where my feet are.
