Magnolia Grove

So Mi Lee

Quick Quotes

Q. What's been working so well for you these last two days?

SO MI LEE: First, the shots were hitting really well today and I think that led to a good score because this golf course can be really tricky especially if your shots aren't hitting well. In the last two days, it's worked for me, so that resulted in a good finish.

Q. You went bogey-free today, just one bogey through two days of play, what have you been doing to put yourself in position to not score bogeys?

SO MI LEE: I practiced a lot on my approach shots in case my shots wouldn't hit well. But they did and I actually didn't have many approaches, outside of maybe one bunker shot. I think that's what led to a bogey-free round. I don't know if my shots would be hitting just as well tomorrow, but I'm going to do my best to complete another bogey-free round.

Q. What is going to be the mindset as you finish out the week?

SO MI LEE: Since Round 1, I had the mindset of 'It is what it is.' I'll have a similar mindset heading to the rest of the rounds.
