## Min Lee

### Quick Quotes

**Q. All right, here with Min Lee; 5-under round today; 10-under total. Give us a brief recap of your week so far. How have things been going? What's the best part of your game this week so far?**

MIN LEE: Well, like before this tournament, after we finish at Pelican, I had a lesson with my coach. Basically, I'm just looking for some new inspiration and then new idea of looking of my game, and then we have some adjustment. That really helped my game.

And this week I'm just very focusing on just doing the right thing and hopefully it works out, yeah.

**Q. Perfect. Yesterday's round got delayed into today.**

MIN LEE: Uh-huh.

**Q. Course is a little wet. How do you deal with those conditions when you know they're going to happen and how do you game plan for that?**

MIN LEE: We don't really have this kind of weather usually, but me and my caddie has been texting back and forth about the weather is going to be really bad, we might not be able to play.

But we still have to keep our mind very sharp. Luckily there is a Top Golf here, so couple of like me and(indiscernible - audio cut out) and Scarlett and Kelly, we went to Top Golf and hit a couple balls. Although we don't have a lot of time because it's pretty packed. So we share one hour, and so that's how we get a chance to hit a little bit of balls.

But physically, mentally you have to be ready. You have to keep it sharp, too, because it's a long tournament. Although it's a weather delay but you still have to be out there, yeah.

**Q. And then courses, Falls Course and Crossings Course, is there one that suits your eye better, one that you like playing a little bit better?**

MIN LEE: You know, I don't really notice what's the difference between two golf course, because when I play, basically just focus on my shot and then just stick with my game plan.

So I didn't really get a chance to think about which course suit me better. I like them both, yes.

**Q. Is there maybe one part of your game so far this week that you feel really confident in that has helped you play really good golf so far?**

MIN LEE: Again, because I'm very focusing on my golf, my routine every day, so I don't really look into what part of my game is really working this week.

I'm just basically executing and just stick with my routine. So I think that might be the strongest for the last few days, yeah.
