## Savannah Grewal

### Quick Quotes

**Q. All right, Savannah, so 5-under round, round four. 4-under on the back nine; bogey-free. Talk about that home stretch coming in. How is the game feeling? How is everything going?**

SAVANNAH GREWAL: Yeah, feel like I definitely hit the ball a lot better today than I did yesterday, so gave myself a lot more birdie opportunities.

I think the par-5s are playing shorter so made it a little bit easier to get to and make some birdies. Definitely feel like I picked up some strokes with my approach shots.

**Q. Four rounds deep; still two more rounds to go. A lot of this is physical. How is the body feeling? How is the mind feeling?**

SAVANNAH GREWAL: Feels pretty good. Honestly I think the rain day helped because it was kind of like a nice intermission break, just recovery type day. That felt good. Everything feels good so far.

**Q. I was going to ask you, your caddie mentioned today you asked about checking the leaderboard, too?**

SAVANNAH GREWAL: Yeah.

**Q. He mentioned it was the first time doing so. How do you manage playing your best golf but also have that in the back of your mind?**

SAVANNAH GREWAL: I think honestly, just knowing that I'm good enough to compete out here is a big thing. I think that helps with the confidence for sure.

I think just knowing that if I play my game and stay steady, I'm going to be right up there.

I think I just wanted to kind of know where the cut line was at but also top 20, just to see what it might look like for the next two days.
