Quick Quotes

Q. Gurleen, another bogey-free round. Three rounds in a row bogey-free. Talk about your game right now. Obviously in a good place. Is there maybe one part of your game that's kind of excelling or everything kind of clicking right now?

GURLEEN KAUR: I would say I think everything is just kind of clicking. I actually didn't hit my driver as well, but the fairways are wide enough. Just been really solid with my irons and putting.

So I think like fairways and stuff in, like I feel like I've just been really solid and made really good putts today.

I had a little bit of some -- I hit it in a couple fairway bunkers so I was a little bit scrambling and felt like I did a good job scrambling and then just hanging in there.

Q. Officially made the cut; up near the top of the leaderboard. Is there a sense of relief that you made the cut and you can focus on the last two rounds?

GURLEEN KAUR: Yeah, I think so. I don't think I was really like looking at the cut. Just trying to play every day. It's been nice to have that one day of break because the six rounds have been a lot.

Otherwise, I'm excited to just finish strong and make it to the final day. Yeah, it was good to make the cut. I didn't even know. I'm not a leaderboard watcher whatsoever, so I didn't know if I was close or not. It was a good day. Yeah, hanging in there.

Q. You mentioned you're not a leaderboard watcher. Is that something you're going to keep doing over the next two rounds?

GURLEEN KAUR: I only look at it once and then I don't try to look at it on the golf course. Just playing my game and stuff. Yeah, next two days definitely not for sure.
