Quick Quotes

Q. All right, Gurleen, just finished your fifth round here. Started off hot; maybe not the finish you wanted, but you're still in the coveted 20 spots. Talk through your round today.

GURLEEN KAUR: Yeah, I feel like I hit the ball still really good. I didn't make as many putts as I wanted to and a little bit of some weak shots coming down the stretch.

Otherwise, like played still solid. Can't be unhappy with a 2-under. Some days are going to be better than others. So just got to just hope couple more putts fall tomorrow.

Yeah, excited. Just almost ready to be done.

Q. And then kind of just talk about tomorrow a little bit. Has it sunken in there is only one more round left now?

GURLEEN KAUR: Yeah, it's weird because today was supposed to be the final one. I'm glad we're almost there. It's nice because we got a little bit of a break in between because we didn't play six in a row.

But, yeah, no, I'm excited. I just want to honestly just get it over with at this point. I played so much golf. Oh, my gosh, final day is finally here.

Q. A year ago to now, would you imagine yourself in this spot?

GURLEEN KAUR: Yeah, I think overall I've had a pretty good year. Yeah, like I had absolutely no status last year this time, so to be able to like just be in this position is just -- I'm really, really excited for the opportunity and just want to take advantage of it.

Q. And then lastly, is there a different mindset heading into tomorrow or same thing you've been doing for the first five?

GURLEEN KAUR: No, I think the same. Just really want to just play as well as I can like almost any other

tournament.

You know, not try and control the situation so much. Just let it happen and see what happens. Yeah, I'm excited. Just ready to be done.
