Q. Can you talk to me about the week in general and what you're going to take away from this?

GURLEEN KAUR: Yeah, so I'm so excited to have gotten my full status on the LPGA. You know, I really just came into this week with like no expectations and trying to play just as best as I could and almost treat it like any other tournament.

But I was excited to get off to a good start and really just keep playing as well as I could to the very last day.

So just a good week overall.

Q. What have you learned from this week?

GURLEEN KAUR: I would say that I've learned that I play my best when I really just want to try and have as much fun as I can, and that I'm able to compete with some of the best players. Now I'm just excited to get my game in shape for the LPGA.

Q. And you started on the WAPT this year and moved on to the Epson Tour with some exemptions. Took off at Tour Champ. Had a top finish there. How did that prepare you for this week and the grind?

GURLEEN KAUR: Yeah, it's crazy, because this time last year I missed cut at Stage I and didn't have any sort of status, so to be able to place as much as I could, as the year went on -- I was supposed to play LET all summer and then injury, and so ended up just playing WAPT, so I think it was still good preparation for me.

Yeah, just didn't expect to have such a good finish. I think like the more golf that I'm playing the better I keep progressing.

So, yeah, I just think it's such a blessing to be here and I'm just really excited for next year.

Q. Like you said, full status on the LPGA Tour next year. How does that feel letting it all sink in at this

moment?

GURLEEN KAUR: Yeah, great. I think it'll sink in maybe a little later. Hasn't really right now. I'm happy that my coach and dad were able to be here with me this week. Just really tremendous to have their support and stuff. I don't think I would have been able to it all by myself.

Just feeling very blessed to be in that position right now.

Q. Finally, what are you most excited for next year on the LPGA Tour?

GURLEEN KAUR: Honestly, traveling to a lot of new places. Like I'm excited if I get to qualify for Asia. I think that would be amazing. I haven't been to a lot countries that we're playing this year, so just excited to see new places and play a lot of really nice golf courses also.

So that would be exciting.
