### Quick Quotes

**Q. All right, here after the final round of Q-Series. You have your card in hand. What are you feeling like right now?**

ALINE KRAUTER: I'm super excited for this upcoming year. Obviously it's nice to be back on the LPGA, having secured the card. This week I didn't play my best, but still having secured my card feels really, really good.

**Q. What are the emotions after going through this week and getting back? How proud are you?**

ALINE KRAUTER: I'm definitely proud of myself for being a trooper this week. Like I said, I didn't really play my best. Just keeping it together was really important and I did that. I did the job, so, yeah.

**Q. And you mentioned earlier this week you had a lot of learning experiences this past year. What are you looking forward to after you learned all that bringing into next year?**

ALINE KRAUTER: Yeah, I mean, just sort of applying what I learned is obviously going to be huge. I think having been out there for a year already, it's just going to make me feel a little bit more comfortable in those situations.

I'm just super excited to get back out there.
