Quick Quotes

Q. A wonderful 10-under day today. What was the difference of today?

INA YOON: I don't feel like it was different from the past three days. Just the one difference was the putting. Putting was really good today. That's why I could make 10-under today.

Q. You had an eagle on your front nine, too. What did you like most about your front nine holes today?

INA YOON: Today was fourth round, and the shots were not that different, but the clutch birdie putts worked well. Also the eagle putts were really, really good. That makes a difference, I think.

Q. What has this experience been like for you this week? What's been your mindset over the last four days?

INA YOON: I try to keep in mind that it is just Q-school, not a tournament that I've played before. Just keep calm and play calm. That's it. That's my mindset.

Q. You've got one round tomorrow and you've put yourself in a pretty good spot on the leaderboard. What would it mean to you to walk away with an LPGA Tour card tomorrow?

INA YOON: Excited about the spot on the leaderboard today. Just playing calm and tomorrow keep grinding and just do my best on every shot tomorrow. That's it.
