Quick Quotes

Q. Pauline, so 8-under round here, fourth round of final qualifying. Talk about not only today, but the last two days. Starting with a double today, rallying to put together two good rounds.

PAULINE ROUSSIN BOUCHARD: I mean, yeah, yesterday was a slow start. I just had to get my head out of -- well, no I can't say that on camera. I just had to (audio skip) outside the golf course and I'm good on the golf course. I just stuck to that. If it means working out a lot and be maybe, I don't know, 85% physically, then it might mean that I might be 150% mentally.

So I just stuck to that. It's even better that I have someone to help me with the recoveries and make it even smoother, so, yeah.
