Quick Quotes

Q. Saki, welcome to the LPGA Tour. What has this experience been like for you?

SAKI BABA: There was six days and they were really hard and tiring, but I was able to get a birdie on the last hole and go through.

It was a really good experience for me.

Q. I know you played most of this year on the Epson Tour. What did you take away from your Epson experience that helped you this week at qualifying?

SAKI BABA: The Epson Tour was really hard and very competitive and obviously today was difficult as well, but the things that I was able to learn from the Epson Tour, I almost gave up on a few holes today but I'm glad I pushed through to the end to finish strong.

Q. And what does it mean to be a member of the LPGA? How long has that been a goal of yours?

SAKI BABA: I've been watching the LPGA on TV since I was in elementary school, so it's been a long goal of mine. Although might have been just a childhood dream, it's kind of surreal to be able to achieve that dream today.
