Quick Quotes

Q. Here with Charley Hull at the JTBC Classic Presented by Barbasol after round two. Solid 2-under today. Had three birdies on the card. Take us through your round.

CHARLEY HULL: Yeah, played pretty solid. Actually could have been quite a few more under, and I hit some good putts.

Missed a birdie putt on I think the 15th and 16th. Both hit good putts. One was like three feet, but it was a very slippery putt, and the other one went in the middle of the hole and then just like rolled backwards.

But, yeah, bit of a shame to make bogey on 17. I hit a good putt there, and yeah, I just played solid.

Q. Everybody has been talking about the greens. That's obviously a big topic when we are here. How are you yourself staying patient on the greens?

CHARLEY HULL: You just got to be positive, because no point in being negative. You're only going to get yourself down. Yeah, I just think I can still hole putts on these greens.

Q. Haven't seen you in the minute. Pulled out of the HSBC with an injury? Can you elaborate on that injury?

CHARLEY HULL: Yeah, I had got tendonitis in my Achilles, so it was really bad and so I just rested it for two weeks when I was at home. Did a bit of practice.

But it wasn't really my golf swing that was making it worse, it was the walking. So I could hit some balls and that, but like this week is the first week it's felt like it hasn't hurt since I've been playing.

Q. Nice to be near the top of the leaderboard heading into the weekend. What's the mindset going into tomorrow and Sunday?

CHARLEY HULL: Make loads of birdies and have fun. Might as well be out there and smile, because there is no point in being out there if you don't enjoy it.
