Q. Here with Jeongeun Lee6. Lee6, the first group out today, and the first hole in one of the week. Take us through what was going on there on No. 3.

JEONGEUN LEE6: Yeah, finally I got hole in one, first time during the tournament, so it was so special.

And then I got with my mother, so it was more special today. So, yeah.

Q. So your mom is here watching?

JEONGEUN LEE6: Yeah.

Q. This is your first ace in any competition, correct?

JEONGEUN LEE6: Uh-

Q. What was going through your mind when you saw -- did you see the ball go into the cup?

JEONGEUN LEE6: It was maybe 89 meters so it was short hole, but even pin position was not easy, but I hit it good. It was my third hole in one, but first hole in one during the tournament, yeah.

Q. Did you have a reaction? Did anyone cheer?

JEONGEUN LEE6: I did. Hands up. (Laughter.)

Q. Did your mom say, yay?

JEONGEUN LEE6: Yeah, maybe. I didn't watch it.

Q. I love that. After that you had a pretty good round; bogey-free. What was going right and how much did that hole in one help you today?

JEONGEUN LEE6: Yeah, it was three holes; third hole, I made it so it was good momentum, and then I played comfortably. And then my goal was free bogey today; I achieve it. I'm very happy, yeah.
