Quick Quotes

Q. All right, Inbee, we'll keep this quick. You end this tournament at 11-under overall. What do you take away from the last four days?

INBEE PARK: Yeah, I really enjoyed my four days out here. It was another beautiful week with a beautiful golf course.

You know, I just had a lot of missed opportunities out there all four days. That's a little bit -- little disappointing, but at the same time I think I played consistent golf all the four days, so good to take on for next week.

Q. The Chevron Championship just around the corner. What do you take away from this week as we look to the first major of the year?

INBEE PARK: It's good. I played solid all four days. Just a few opportunities that I need to putt little better. Everything else in my game looks pretty sharp and nice, which is good to take on.

Obviously next week I feel like I'm ready to play.
