### Quick Quotes

**Q. Steph, how are you feeling after four days here at the JTBC Classic?**

STEPHANIE MEADOW: Good. I finally got some putts to roll in this week. Even though the greens are a little bumpy I made some good in.

Yeah, just excited heading into next week. Game is heading in the right direction. Yeah, it's been great.

**Q. What are some of the things you've been working on as you head into the first major of the year?**

STEPHANIE MEADOW: I started putting with a line on my ball, so that's pretty big thing for me. It's allowed me to kind of commit to my lines a lot better.

For next week, I've played that golf course a million times it feels like, even in college; I know it pretty well. Just keep doing the same things. It's a major week, but it's still the same.

**Q. I know a couple up and downs on that back nine there, but what does that do for your confidence knowing that you are kind of getting it together as you head into a major championship?**

STEPHANIE MEADOW: Yeah, I mean it's huge. It's nice to see some putts roll in. It's been a very long time since I had a good putting week, so really happy with that.

You know, I had a lot of chances on the back. Just didn't convert, and then two bad shots and then I had bogey.

So it's like it is what it is. Happy to not kind of compound any mistakes and keep fighting.

**Q. 'Tis golf, I would say.**

STEPHANIE MEADOW: Yeah.

**Q. The last time in the desert next week for that. What**

**will that mean to you?**

STEPHANIE MEADOW: Oh, I mean, it's crazy. Obviously there is so much tradition there and it's been going on -- just walking down the 18th, seeing all the names and the pond, I mean, it's a fabulous experience, so I'm definitely going to take in every last second of it.

I'm sure Chevron will figure out a way to continue traditions and make it just as special.
